

# Ultimate Challenge IBO Series 2011

Series Update – August 2011

## Round Two Report

Round 2 of the IBO Series seem to be here so quickly after the first round that it was blink and it was here. Where do the months go. The weather for the Whitford round promised to be a repeat of the Franklin weather and although it didn't quite get to solid rain the cold southerly wind and light drizzle made it uncomfortable in the afternoon but that did not deter the strong will of the archers.

87 Archers brave the conditions and set about the morning round – which was quite pleasant weather. The morning round saw top score of 191 from Trevor In the Professional Male Open Division with the Jason Loane in the Male Bowhunter Release with 187.

In the Juniors Gene Gray top scored with 187 and Kate Thoroughgood for the Cubs with a 173. The afternoon round against saw Trevor top score with 392 making his daily score of 583 top score for the round. The cold winds in the afternoon proving to test most archers which was reflected in the scores.

A full set of results is attached for your reading showing overall points to date.

Round 3 is to be at Mt Tiger Archery Club in Whangarei and as many of you already know this will be the last round of the IBO to be held at their current grounds. The club's lease has expired and they are having to move the club. We are hoping to have a large number of archers attend to enjoy the last round **BUT** we must get you all to register prior to the day as it does take quite a bit more time to get everyone sorted if we have to add archers on the day.

**ROUND 3 – MT TIGER ARCHERY CLUB –**

**Remember that pre-registration is required and it is still suppose to be the winter months so make sure you bring the appropriate clothing and at Mt Tiger you may well need gumboots – especially for their river crossings. - See you all there.**
